NEWS RELEASE – DECEMBER 22, 2025

Blue Sky Uranium Corporate Update

Vancouver, BC / CNW / December 22, 2025 / Blue Sky Uranium Corp. (TSX-V: BSK, FSE: MAL2; OTC: BKUCF), "Blue Sky" or the "Company") announces that it entered into a marketing agreement (the **"Marketing Agreement"**) with Departures Capital Inc. (Aaron Missere) pursuant to which Mr. Missere will provide investor relations services to the Company for an initial six-month term commencing on April 7, 2025 in consideration for an aggregate of \$25,000. In accordance with the terms of the Marketing Agreement, Mr. Missere will work with the Company on preparing and disseminating social media commentary and producing articles and company interviews within the marketplace. Content will be published across Mr. Missere's platforms, including the Departures Capital YouTube channel and the www.ceosdaily.com website. Mr. Missere does not own any securities of the Company nor any right to acquire securities of the Company. Mr. Missere is an arm's-length party to the Company. Departures Capital's engagement is subject to approval by the TSX Venture Exchange.

The Company further announces that it has granted 29,250,000 incentive stock options (the **"Options"**) to directors, officers, employees and consultants of the Company. The Options are set for a period of five years, expiring on December 19, 2030, and each Option will allow the holder to purchase a common share of the Company at a price of \$0.10. The Options are subject to a 4 month hold period from the date of grant and to TSX Venture Exchange approval.

About Blue Sky Uranium Corp.

Blue Sky Uranium Corp. is a leader in uranium discovery in Argentina. The Company's objective is to deliver exceptional returns to shareholders by rapidly advancing a portfolio of uranium deposits into low-cost producers, while respecting the environment, the communities, and the cultures in all the areas in which we work. Blue Sky's flagship Amarillo Grande Project was an in-house discovery of a new district that has the potential to be both a leading domestic supplier of uranium to the growing Argentine market and a new international market supplier. The Company's recently optioned Corcovo project has potential to host an in-situ recovery (**"ISR"**) uranium deposit. The Company is a member of the Grosso Group, a resource management group that has pioneered exploration in Argentina since 1993.
